1962 La Palma

Edited by the La Palma Staff

of

Orosi Union High School

Orosi, California

Volume 34

Editor - Ida Lee Anderson

It has been the aspiring ambition of the 1962 La Palma Staff to capture memories of this past year and preserve them in this the 1962 La Palma.

Changes are taking place within our school and it is our hope to present the old with a touch of the new in a way that is both exciting and enjoyable.

As you glance through this book we hope you will relive many fond memories of this past year and that this book will serve as a constant reminder to every senior of his last year at Orosi High.

MR. LAURENCE A. ELROD
Superintendent

Superintendent's Message

Although some of you will complete your formal education this year, or within a few years, it is evident that in order to gain the stature of which you are capable, it will be necessary to constantly seek self-improvement. In striving toward self-betterment, you may encounter set-backs and disappointments. Learning to accept them as only temporary and plunging forward with more fervor and determination will require self-dicipline and courage. Many success stories have been written because of the willingness of someone to "try again". These are some of the qualities in American youth that have made our nation great. Freedom loving people throughout the world are looking to us for leadership. This is the challenge that confronts Americans today.

It is my hope that your days at the Orosi Union High School have been both pleasant and rewarding. Please accept my commendations and best wishes.

MR. MANN
Principal

Principal's Message

The students and faculty of the Orosi Union High School, as they look back over the events of the 1961-1962 school year, should feel considerable satisfaction. Many of our students have received honors for academic excellence. Our student government is one of the most outstanding in our section of the state. Our athletic teams, while not winning all the league championships as we might have wished, have at all times displayed all the talents and qualities of a champion as individuals and as teams. The student leadership under Lanse Richardson has been very active, cooperative and educational. The faculty and staff members greatly appreciate the complete cooperation of the entire student body in making the Orosi High School a high school of which we may be proud.

To the members of the class of 1962, the faculty extends its best wishes. We will follow their careers with the greatest interest and assurance that they will bring credit to the school in whatever they do and wherever they go.

Student Council

Our Student Council has completed one of its most successful years as the governing body of our school. It has compiled an impressive record of achievements, the most outstanding of which was our Student Body project. It has attended the C. A. S. C. conferences and has conducted an exchange Student Council. These boys and girls are to be congratulated on a fine job.

Ida Lee Anderson, Editor; Sharon Reynolds, Assistant Editor.

The La Palma staff worked doubly hard this year to present the best La Palma to Orosi High that has ever been produced. They also spent a lot of extra time to put out a supplement in the spring, containing all the spring activities and graduation exercises. These students are to be congratulated on a truly excellent job of presenting the 1962 La Palma.

Cardinal Capers

Editor-Shirley Williams
Co-Editor- Ida Lee Anderson

With a lot of determination and hard work on the part of the new advisor of the Cardinal Capers, Mr. Fillmore, the school paper has raised its standards to become one of the best in the history of Orosi High. Published twice a month by the journalism staff, the paper has been both informative and enjoyable. The paper was a wonderful example of the interest shown by the students in editing the 1961-62 Cardinal Capers.

President - Randy Richardson, Vice-President- Jean Richardson, Secretary-Treasurer- Rosalie Lopopolo.

The Orosi chapter of the C. S. F. makes it an annual practice to award one or two scholarships to graduating seniors.

The chapter attends the annual district conference during the fall semester. During the spring semester an annual privilege day is observed. An outing to points of interest is enjoyed on this day.

The prestige enjoyed by C. S. F. members upon entering college and the valuable scholarships available to life members, warrant striving for membership in this organization.

Science Club

Randy Richardson, Vice President; Jean Richardson, Secretary-Treasurer; Gary Giannandrea, President.

This year's Science Club has undertaken an outstanding project. They have put all their funds and plenty of time and effort into the publication of a pamphlet called "Amphibians of Tulare County". This pamphlet is intended to help elementary students and teachers to identify the amphibians which are brought to class. The Science Club has made trips to the University of California and Yosemite to collect information. The purpose of this club is to promote interest in science and this year they have been very successful in doing just that.

Vicky Rivera, Pres., Marilyn Bailey, Vice Pres., Rosalie Lopopolo, Sec., Joetta Jones, Treas., Doris McDonald, Reporter, Sharon Majarian, Chaplain.

The Tri-Hi-Y has been very active this past year. The officers went to a convention at Stanford University earlier in the year which was a great influence upon their leadership in the club. They held the first Tri-Hi-Y initiation at Orosi and were very successful in their Christmas project. It was a very successful year with each girl going out with a feeling of something gained, both morally and spiritually.

The Future Business Leaders of America started out the year's activities with a cake and punch sale. They also sponsored the concession stand for the final football game. In November, the FBLA was host for the Fall Training Conference which was attended by the high schools in the surrounding area. The purpose of this conference was to help each officer to better understand what is expected of her.

This past year has brought about some changes in the F. H. A. They adopted a point system in their club which has aroused more interest and enthusiasm in the members. They attended an officers meeting in Delano and also selected two delegates to go to the state convention. In the spring they had a section meeting for the purpose of selecting new officers. This club has given of its time and efforts in serving at other clubs social events and is to be commended on a terrific job.

A few of the events that made the F. F. A. one of the outstanding organizations on campus this year was the get acquainted watermelon feed, the Sweetheart contest and dance, an excellent fair booth at the Tulare County Fair, the awards banquet, and the attempt to achieve Master Chapter. Many good things that may be said we can summarize by saying, "The F. F. A. displayed a keen interest in school affairs, it could be depended upon to do the job, and do it well." The F. F. A. had but one goal and this was to improve itself and the school.

Anita Franco, Pres.; Alberta Fowler, Vice Pres.; Johnnie Slayton, Sec. Treas.; Ida Soria, Senior Manager; Sandra Niemela, Sophomore Manager; Elizabeth Hernandez, Freshman Manager.

This past year the G. A. A. has participated in volleyball, basketball, softball, bowling, and swimming playdays. The softball playday was held at the Orosi baseball field. The one playday that stands out from the rest is the playday swimming party held in Dinuba. These fine athletes have enjoyed a full year of fun and plenty of exercise.

Hi you little fart

Well I haven't known you very long but as long as I
know you you've been a blast. Next year all of us girls
are going to have a hell of a time down at the football
games and the basketball games and Hell all the damn
games boy we're going to have a riot. You better not for
get to ask me to the show this summer because you
know that saying where one goes the other ones got to go. If
you haven't, that's all right I made it up, that's my ole
saying you know it and ah hell is hard to think of
any thing to say but I'll keep writing. At sure is hot
sitting in this damn car my arm's getting blacker than
what it already is. Don't forget and clap for me when
they say my name at the football game when we
majorettes perform ok. don't forget. If I leave out commas
periods questions just skip them you know me always
making mistakes. Well Norma baby I can't think of
anything else to say, so I guess I'll be closing now
with sincere sympathy.

See ya too

Thank You

After you have finished reviewing the exciting athletic and social events of this past year, I hope you will take time to recognize all the wonderful people who made this publication possible.

My most humble and grateful thanks go out to:

Mr. Robb - This man did all the worrying for our little but mighty organization and kept us going to meet deadlines.

Sharon Reynolds - For her help in planning layouts and for her nerve to take over the job as editor next year.

Viki Rivera - This little girl had a big job and despite obstacles did a wonderful job. Without the selling of ads the publishing of this book would have been impossible.

Gary Riddle - For his great job of planning the Administration department.

Roger Youders and Bill Wilson - The extra hours these boys spent in taking and developing pictures is greatly appreciated. Without them many pages would remain blank.

Carlos Cabanas - For his many hours in the creation of our beautiful division pages.

Harriet Brown - I don't know what I would have done without her shoulder to cry on everytime a deadline came around.

My father - For buying an ad we discovered we didn't need.

My parents - Without their help and encouragement I don't think I'd have made it.

Last but certainly not least, My teachers - For being so kind and understanding all the time I was out of class trying to meet a deadline.

To these people I say THANKS. Such a small word to express such large feelings. I say it to you for you deserve it and I mean it from the bottom of my heart.

THANK YOU.

Norma,

So one of the cutest girls in school. Um just kidding of coarse. No, I really mean it. HA HA Maybe someday you will be my beloved sister-in-law At least I hope so. Maybe we can go down to Margarettes this summer for a ~~sept~~ couple of weeks. I hope so anyway. When I get my licence maybe I can bring the car it to school next year. You Virginia, Stella, Linda, and I can drag and go some place. Of coarse Stella, and Virginia will probley bring theirs. At least Stella well, I dont know about Virg. Just think I will be a Senior next year, one more year. Best of luck your next three years in school, if you last that long. HA HA

I guess I have ran out of things to say so I will close. I will see you all this summer. Bye for now

Love Ya
Linda

Honey

I know you can't wait until you get out of school so we can ~~of school~~ be together all the ~~the~~ time, cause I can't wait either. I hope to have your rings for you before you get out of school this year. I hope your Dad let you have them so we can get married after you get out of high school, but we'll probably get married before you get out of high school. I don't know what I did to deserve you but I am not going to let you go and when I see Gary I am going to beat the hell out of him for what he said about you.

Oh I all most forgot when we do get married I should have my high school
